PROFESSIONAL EXPERIENCE

Investor Muda

Part-Time Analyst

Jakarta, Indonesia

June 2026 - Present

- Publish equity and capital markets research 3x weekly to 400,000+ readers, analyzing valuation and industry trends across AI, healthcare, energy, and consumer sectors
- Conduct company and market research across U.S. equities and IPOs, benchmarking targets against peers to identify valuation drivers and investment opportunities

Acres Research

Director of Research II

Jakarta, Indonesia

June 2024 - Present

- Partnered with an institutional asset management team to co-develop two published research pieces on equity valuation, factor investing, and portfolio management strategy
- Lead a team of 4 analysts producing monthly research on emerging businesses and macroeconomic themes across Indonesian and global capital markets, growing readership to 1M+
- Authored thematic research on U.S. energy decentralization, identifying independent power producers as key beneficiaries of grid interconnection backlogs and rising AI data center demand

Pertamina Retail

Project Support

Jakarta, Indonesia

August - December 2024

- Built Excel financial reporting templates for quarterly data consolidation across 16+ nationwide locations, supporting a team of 10 analysts
- Assisted in preparing quarterly PowerPoint pitch decks for management, summarizing financial data and reporting findings alongside the Excel consolidation process

RESEARCH EXPERIENCE

Equity Research - Talen Energy Corporation (NASDAQ: TLN)

Independent Research

Remote

April 2026

- Constructed a blended valuation model (DCF, EV/EBITDA, EV/CFO, comparable company analysis) to conduct company research and derive a Buy recommendation at \$478, implying 28% upside
- Built pro-forma FY2025 financials, normalizing for a \$501M non-cash charge to isolate adjusted EPS of \$6.17

Investment Advisory Note - Jiwa Group (PT Luna Boga Narayan)

Independent Research

Remote

June 2026

- Valued Jiwa Group against four Indonesian F&B comparables, informing two brand growth strategy proposals and an investment memorandum on exit pathways, presented to the Managing Director of a boutique investment banking firm

LEADERSHIP & AFFILIATIONS

SIS Investment Club
